A. Accounting Practices

The financial statements of ProTucket Insurance Company are presented on the basis of accounting practices prescribed or permitted by the Rhode Island Insurance Department.

The Rhode Island Insurance Department recognizes only statutory accounting practices prescribed or permitted by the State of Rhode Island for determining and reporting the financial condition and results of operations of an insurance company, for determining its solvency under the Rhode Island Insurance Law. The National Association of Insurance Commissioners 19 (NAIC) Accounting Practices and Procedures Manual (NAIC SAP) has been adopted as a component of prescribed or permitted practices by the state of Rhode Island. The state has adopted certain prescribed accounting practices that differ from those found in NAIC SAP. Specifically, 1) goodwill arising from the purchase of a subsidiary, controlled or affiliated entity is written off directly to surplus in the year it originates by Rhode Island domiciled companies. In NAIC SAP, goodwill in amounts not to exceed 10% of an reporting entity 19s capital and surplus may be capitalized and all amounts of goodwill are amortized to unrealized gai

A reconciliation of the Company 19s net income and capital and surplus between NAIC SAP and practices prescribed and permitted by the State of Rhode Island is shown below:

10B (Transactions)

Following approval by the Rhode Island Insurance Department, the Company's immediate parent, Pro US Holdings, Inc. ("PH") contributed \$35,200,000 as additional paid in capital to the Company. The Company subsequently attributed \$35,000,000 of the additional paid in capital to a newly formed protected cell (designated as Protected Cell Enterprise), with the \$200,000 balance of the contribution being attributed to the Company's general account. Accordingly, the total capital contribution recorded for the 2nd Quarter equals \$35,200,000.

PH financed the capital contribution to the Company in large part through a \$35 million Senior Secured Note (to which the Company is not a party and has no obligations) issued pursuant to a Senior Secured Note Purchase Agreement between the Company and PH, on the one hand, and the holder of the \$35 million note on the other hand. Pursuant to the terms of the Senior Secured Note Purchase Agreement, and following approval by the Rhode Island Insurance Department, the capital stock of the Company was pledged as collateral to secure the obligations of PH under the Senior Secured Note Purchase Agreement. The pledge may not be exercised without the prior approval of the Rhode Island Insurance Department. Except as subsequently described in these Notes, the Company has no material obligations in relation to the Senior Secured Note Purchase Agreement, and in particular is not a debtor under that agreement.

In the 2nd Quarter, the Company received \$35,200,000 as additional paid in capital from its immediate parent, Pro US Holdings, Inc.

10F (Material Management or Service Contracts)

In connection with the approval of the Plan of Operation for Protected Cell Enterprise, the Rhode Island Insurance Department approved a service agreement between the Company and an affiliate, PRO IS, Inc. whereby PRO IS, Inc is to provide all services necessary to administer Protected Cell Enterprise. Pursuant to the approval of the Plan of Operation for Protected Cell Enterprise, this service agreement will be effective June 30, 2018 once the agreement is executed.
